New ProSource Grand Rapids' Office

ProSource Technologies, Inc. (ProSource) is proud to announce the opening of their new office in Grand Rapids, Minnesota. As ProSource has continued to provide service to clients in the Grand Rapids and surrounding areas, we are pleased with the opportunity to have a permanent location for our staff to reside. This expansion enables the ability to further deliver our full spectrum of right of way and environmental services to public and private clients.

Jose' Sanchez is heading the Grand Rapids office. Jose' moved to the Grand Rapids area with his family in September 2007. He brings to each project over 12 years of real estate experience involving acquisition, title research, preliminary market value assessments, landowner negotiations, zoning and negotiations with state agencies and county land departments. He has worked in the construction, commercial and agricultural management fields and has the established knowledge, training and skills to facilitate the successful completion of a wide spectrum of projects.

ProSource Technologies, Inc. is a professional consulting firm specializing in right of way/site acquisition, relocation, title, appraisal, environmental and surveying services.
